PRESIDENT'S PEN

To all of our members since the last issue, we have had a couple of new games and events happening on a Saturday. The first one is, the start of the Saturday afternoon session with tapped beer being discounted for a time anywhere between midday and 3pm with a meat raffle drawn in the same afternoon. The second item of interest is a President's Jester as a jackpot card game, if the Jester is found that will win the jackpot, and reset the game.

Member's Friday night still working well. Come on down and partake in the Raffles and Hurry Scurry for the night. The Spitfire Grill is open for dinner.

Don't forget to come in and put your names down for the Annual Birthday dinner 21st October.

Thank you and good bye

Until next month issue

Warren Campbell.

NIFTY'S QUOTE OF THE MONTH

“Marriage is like a deck of cards, in the beginning all you need is two hearts and a diamond. In the end all you want is a club and a spade”.

From the Secretary's Desk

Welcome to the October edition of our News Letter, once again, it has been a very busy month, my wife reckons that I should get a bed in my office to give me an extra hour a day in the office.

We have made a few changes around the club, the tables in the bar area have been rearranged to allow easier access for members to move to and from the bar and kitchen areas. We have changed the stage area by moving the flags, uniform manikins and piano (I have found a piano player who happy to play for us) around and placed merchandise stands up, so members can have a look to see what's available. If anyone has any suggestions or queries, please feel free to come and discuss it with me. At the moment, we are in the process of rearranging the office area to give Welfare an office to allow for privacy when interviewing clients, as well as turning the outer office and Wilson Room into a reception area for welfare clients and contractors to enter the building and wait for the appropriate people.

We have had some very positive feedback from recent functions, the 13th of October, "Heart and Soul were very good with more than 120 people here for the night, the next night we had a private function, where the lady who hired the hall was so impressed with staff and presentation of the club, she sent an email thanking the club, staff and committee members, she also posted her gratitude on social media. We then had the Presidents Dinner on the 21st October, A big thank you to the 52nd AACC Unit for their excellent support once again, I really don't know what we would do without them, tanks again. The kitchen staff and bar staff did a wonderful job and the meals were superb, a great night was had by all.

As you can see in this month's edition, we have several activities coming up. I hope to see you all down here at our club or should I say **"YOUR CLUB" to have fun and enjoy yourselves and don't forget New Members are Welcome.**

Cheers,
Wombat

WELFARE MATTERS

Hi to everyone!

I hope you have already put your name down to participate in “*Veterans Health Week*”!

This year the theme for VHW is “PHYSICAL ACTIVITY” which is why I have organised along with all my helpers to have a “Walk around Armadale Shopping Centre” followed by Information on Nutrition and “Cooking for One or Two” and a Luncheon afterwards also a cooking book. This takes place from 10.30 am on Tuesday 24th October.

Our other event is our fun Mini Olympic Games for all the Family!! Have you put you and your family’s names down for the “MINI OLYMPIC GAMES” on Sunday the 29th October??? There are fun games for Adults and the Children so bring along all the family including the Grandies and you never know you might get a GOLD MEDAL or two.

Yes! It is a fun day for everyone and no you don’t need to be an athlete! After the “Games” there is a “Free Lunch”. So be at Minnawarra Park at 11am on Sunday 29th October and have a fun day with the family!!

.....
Have you prepared an Advanced Health Directive?

If you haven’t and would like to do one, then come and see me or Ken and we can fill in the form ready for you to take and have witnessed and then in the case of anything unforeseen occurring, your wishes are there to be carried out.

If you have any questions about Advanced Health Directives, you can contact the Depart of Health or speak to your Doctor. However, you can also make an appointment to see either Ken or Myself and we can go through the Directive together and you can make, a decision then.

Keep Healthy and Happy Cheers, Jude and Ken your Welfare and Pension officers

Are YOU one of the growing number of RSL Members without a Valid Will?

Everyone should have a Will. Dying without a Will, no matter how simple you believe your affairs to be, can make things harder and far more expensive for your family and loved ones resulting in years of stress and conflict.

A Will is without doubt the most important document you need to have. It enables you to determine how you wish to distribute your estate, your valuables, your funeral wishes, the guardianship of those you care for, any donations or charitable support for others.

Without a current Will you are leaving what could be very important decisions in the hands of a government administrator (Public Trustee) to determine the distribution of your estate.

The Armadale RSL in conjunction with Pre-Paid Legal now offers you a Legal Plan, with the ability to establish a simple Will and enduring power of attorney, review or make changes in the future, have it safely, all at no charge as part of Armadale RSL Legal Plan.

For further information on the many benefits of the “Legal Plan” contact PRE-PAID LEGAL on (08) 9355 5822 and protect the ones you love now.

Trevor's Jokes of the Month

Blame...NOT! NOT! NOT! RESPONSIBLE!

Thoughts to ponder....

I'll run over and pick up both our Welfare cheques. Then drop by the University to see what's holding up our Federal Education grants. Meanwhile you go to the free clinic for a pregnancy test & if it's positive, fill out the necessary papers for assistance and baby bonus. Oh and pick up my free glasses. And then we will meet at the federal building at noon for the mass picketing of the stinking establishment.

BLAME:

How the world works lately...

If a man cuts his finger off while slicing salami at work,
he blames the restaurant.

If you smoke 3 packs a day
for 40 years & die of lung cancer,
your family blames the tobacco company.

If your neighbour crashes into a tree while driving home drunk,
He blames the bartender.

If your grandchildren are brats without manners,
You blame television.

If your friend is shot by a deranged madman,
You blame the gun manufacturer.

And if a crazed person breaks into the cockpit and tries to kill the
pilot at 35,000 feet and the passengers kill him instead,
The mother of the crazed deceased blames the airline

I must have lived too long to understand the world as it is anymore.

So, if I die while my OLD WRINKLED ARSE is parked in front of this
computer,

I want all of you to

Blame Bill Gates.

Have a nice day!
